Believe

Written by
Michael Ward & Steve Hemsley

Verse 1

Will you ask yourself this question
Do you hear this cry of mine
Do you pass me when I've fallen
Do you stop and find the time
Stars above watch the passing day
Though you can't see them as you don't see me
Who knows someone may hear my prayer this time

Verse 2

Let me ask another question
If I paid to change your mind
Would you share your love and friendship
Would you be surprised to find
When asked again you would not hesitate
For I could be someone to love
When I cry you will be right beside me
Holding hands, tender moments, tendered love

Chorus

I believe it's true
If you give the time
Love belongs to everyone
Put your hand in mine

And I believe, yes I believe
We should find the time to share
To hope and pray and love and care
And I believe

Love belongs to everyone
Put your hand in mine

I believe,
Yes I believe
Love belongs to everyone
Put your hand in mine
I believe.
