In Omnibus Rebus (Everywhere)

Written by

Michael Ward, Steve Hemsley & Caterina Polla

Verse 1

In omni parva flore,
in omni roris stilla,
in tenuis prima lucis
tua perfecta manus est.

In every little flower,
in every drop of dew,
in the soft morning dawn
your perfect hand is there.

Chorus 1

In luna, aqua,
sole terraque
tuus amor infinitus,
in luna, aqua,
sole terraque
dulcis spiritus tuus vivit.

In the moon, in the water,
in the sun and in the earth
your infinite love,
in the moon, in the water,
in the sun and in the earth
your gentle spirit lives.

Verse 2

In pura voce pueri,
in forti amore matris,
in calido igni vespri,
tua perfecta manus est.

In the pure voice of a child,
in the strong love of a mother,
in the warm fire of the evening,
your perfect hand is there.

Chorus 2

In luna, aqua,
sole terraque
tuus amor infinitus,
in luna, aqua,
sole terraque
dulcis spiritus tuus vivit.

In the moon, in the water,
in the sun and in the earth
your infinite love,
in the moon, in the water,
in the sun and in the earth
your gentle spirit lives.

Chorus 3

In omni parva flore,
In pura voce pueri,
In forti amore matris,
dulcis spiritus tuus vivit.

In every little flower,
in the pure voice of a child,
in the strong love of a mother,
your perfect hand is there.
