There is only you

Written by

Michael Ward, Steve Hemsley & Em Clark

Verse 1

Here, I stand before you,
I reach, to touch, the closeness of your soul.
I speak, to you in silence,
In the midst of other faces, I know that you hear me.
We have talked and laughed and cried,
And in a world of other loves,
There is only

Chorus

You.
There is only you,
There is only you,
There is only you.

Verse 2

Here, you stand before me,
You look, to me, in softness and I hear,
You, who have sung to me,
So sweetly are the words, of passion in your heart.
We have talked and laughed and cried,
And in a world of other loves,
There is only

Chorus

You,
There is only you,
There is only you,
There is only you.
