# Believe

Written by  
**Michael Ward & Steve Hemsley**

## Verse 1

Will you ask yourself this question  
Do you hear this cry of mine  
Do you pass me when I've fallen  
Do you stop and find the time  
Stars above watch the passing day  
Though you can't see them as you don't see me  
Who knows someone may hear my prayer this time

## Verse 2

Let me ask another question  
If I paid to change your mind  
Would you share your love and friendship  
Would you be surprised to find  
When asked again you would not hesitate  
For I could be someone to love  
When I cry you will be right beside me  
Holding hands, tender moments, tendered love

## Chorus

I believe it's true  
If you give the time  
Love belongs to everyone  
Put your hand in mine

And I believe, yes I believe  
We should find the time to share  
To hope and pray and love and care  
And I believe

Love belongs to everyone  
Put your hand in mine

I believe,  
Yes I believe  
Love belongs to everyone  
Put your hand in mine  
I believe.
