SAVE THE DATE!

SUNDAY APRIL 10TH 2016, CMA THEATRE, AMSTERDAM 19h

The dynamic performance duo **Braxi** is excited to announce the release of their newest single **Il Nostro Amore** (meaning 'Our Love'), a song that is meant to represent hope and the belief that no matter how dark life may seem, no matter how many say you will fail, with love, you can prevail. Written in the "Popera" style and performed in both English and Italian, **Il Nostro Amore** transcends borders and breaks cultural boundaries, uniting the world at a time when love might be the only thing that can right our wrongs.

Il Nostro Amore is the first single of their soon to be released album, **Musical Esemplastic**, and will be presented at an exclusive release party at the **CMA Theatre** in Amsterdam on Sunday April 10th from 19h to 21:30h. The event will feature a full 45 minute live performance of **Braxi** in concert, during which they will sing favourites from both worlds (pop and opera) such as *Nessun Dorma* and *Under Pressure*, and will also feature a sneak peak of never-before heard original songs from the upcoming album. "Il Nostro Amore" was co-written by Brandi and Max Himmelreich and top Swedish songwriter and producer Peter Hagaras (Taylor Dayne, Paul Potts).

ABOUT BRAXI

Brandi Himmelreich, formerly known as Brandi Russell, is well known as the winner of television show *Popstars* in 2008. Her husband, veteran stage performer Max Himmelreich, is a graduate of the Musical Theater program at the Amsterdam University of Theater Arts. The two have spent the past three years abroad, focusing on classical voice training, and how to combine that technique with modern pop music in order to break traditional borders of musical genres. After these years of intensive training and experimentation, they discovered a formula that has never been heard before in traditional popular music, and so the musical duo of **BRAXI** was conceived. Since combining their considerable talents, they have had the opportunity to work with many well-known international musicians, songwriters and producers, both from the contemporary and classical worlds, and have recently signed with leading UK entertainment agency **PEEL Entertainment** for their European efforts, and **Arrow Music Management** in Nashville, USA for the Americas.

Often described as spellbinding, dynamic, emotional, breathtaking and spectacular, **Braxi** is a tour de force in live entertainment, and the chemistry they share on stage is their calling card. Discover what their devoted fans already know, and be treated to a performance like no other.
